

BRSC February update

BRSC Try of the Month – January

Unfortunately Storm Eunice put paid to awarding the certificate for Try of the Month at the Leicester game, however we are pleased to announce that the overwhelming winner was Will Muir for his first try against Quins on 28th January 2022. Runner up was Semesa Rokoduguni.

One benefit of the stormy weather was the relocation of the BRSC committee members from our gazebo to the Swift Half for an hour or so before kick off, resulting in an increased uptake in interest in our new merchandise range and membership scheme. This included some Tiger's supporters who left the Swift Half sporting BRSC stickers.
