BRSC—your independent Supporters' Club

## Welcome to the November edition of BRSC News

### BRSC Members Event An evening with Ross Batty and Francois Louw

Approx 74 BRSC members spent a very entertaining evening in the Clubhouse on 24th November being regaled with stories from these two legends of the Blue, Black and White.

The pair took questions from the floor, posed for many photos and Francois even had the pleasure of signing his shorts, worn in the 2019 RWC final, which a member had previously purchased in a charity event.

This was the first of a number of events planned for the 22/23 season by BRSC so if you missed out, do please keep an eye on your emails for the next announcements.

**Bath Rugby Supporters' Club want to be an inclusive organisation that support all teams that play in BB&W across the city . We are however, particularly keen on becoming advocates of the women's game in Bath. With this in mind we are excited to commit to building closer ties with Bath Rugby Ladies.**

**Our first action is to proudly announce our sponsorship of two Bath Rugby Ladies players: Enya Lackie and Leah McGoldrick. We are delighted that you have accepted our offer of sponsorship and look forward to cheering you on!**

**Thank you to Sarah Burgess, Head of Bath Rugby Ladies and Leah and Enya who joined us at our recent event with Francois Louw and Ross Batty at the Rec. It was our pleasure to introduce you to a crowd of Bath Rugby faithful and affirm our support for Bath Rugby Ladies and the Women's game in general.**

**We really hope that many BRSC members will join us in actively and enthusiastically supporting Sarah and her team.**

**Allez Bath Ladies!**

# Try of the Month

The BRSC committee are pleased to confirm that changes have been made to Try of the Month.

The voting process has not been changed so you still get to review all tries and vote for your favourite. However, we are now able to offer one lucky voter the chance to win a gift voucher to the value of £25. All voters will be entered into the draw, regardless of who they voted for, and the winner will be sent their voucher.

Vouchers are for local stores, many of whom will be discount partners, and sent to the address on Membermojo. Please check your details are correct.

Winners who are attending a game will be invited to collect their voucher at the BRSC Gazebo.

## About Us

BRSC is one of the largest independent supporters club for one of the founder members of the Rugby Premiership. We were set up in January 1997, 18 months after the game turned professional, with the aim of maintaining links between the club, its players and the supporters and to bridge the gap that was in danger of being created as the club moved from a members' club to private ownership. Today we exist to identify, understand, and promote the interests of Rugby and our members and we also provide services and activities for all who support Bath Rugby.

We celebrate our 25<sup>th</sup> Anniversary in 2022. While proud of our status as an independent club, we work closely with the management team at Bath Rugby. We are here to represent your views.
