Odes to The Rec

By Beverley Wallis

Here Come The Bears

It's a Friday night match - here come the
Bears

Growling and gnashing and ready to tear

But our boys are ready, and they have a
trick

It's a known fact, bears are tamed with a
stick!

Not a stick but a wand, the magician's in
town

Finns dazzling talent will take the bears
down

With the great Spence's genius and the
galloping Horse

We have nothing to fear, and lots of tries
of course!

Sheedy and Dunn are in fair form

But for Du Toit and Niall Annett that's to-
tally norm

The boys have returned from the battles in
France

Ready to enthral us, ready to pounce

Cam, Sam and Will are rested and fit

Like Horse they are ready, champing at
the bit

The supporters, the brilliant 16th man
Will cheer them on as loudly as we can!

Come on you Bath!

Bath Rugby breathes life into the city

The Rec at its heart a gentle beat
Until matchdays, when its pounding
Reverberating through its ancient walls

The air crackles

The streets buzzing, the bars humming

The anticipation palpable

The fans fevered excitement visible

The blue black and white marching

Along their familiar paths

Hostelries warm and welcoming

Match day is looming

Covid has been stifling

Our beloved Rec has been waiting

Sarries fans are anticipating

Their journey to the Rec

Our youngsters are preparing

Their mentors are fervently training

Team Discipline is essential

To win this game is vital

Saracens exonerated

Our boys impassioned

Fervent fans are hungry

For a win at the Rec!
